

FIRE PREPAREDNESS SAFETY EVENT

Pacific Island Drive
Hilltop Communities

A presentation for residents of our local hilltop communities has been organized by the Orange County Fire Authority. To prepare yourself and family members, and to prevent loss of lives or property, plan to attend this important and informative event. Seating is limited.

Thursday, August 15, 2013

7 p.m.

PIV-I Clubhouse

31551 Flying Cloud Drive

The OCFA will provide the video presentation, handout materials, and will be available to answer your questions.

- Be aware of fire risk to life and property and how to prevent loss.
- Learn about defensible space, hardening your home, and evacuation planning.

Your local association board can provide more information.
